Choose Life Without Boundaries

FAST, WIRE-FREE SETUP

Control Navimow with the app. Set virtual boundaries, no-go zones, and multi-zone connections in minutes.

PINPOINT PRECISION

EFLS and RTK for centimeter-level accuracy and efficient mowing.

SMART NAVIGATION, STUNNING RESULTS

Optimized mowing patterns deliver a perfectly manicured lawn.

VISIONFENCE: THE FUTURE OF MOWING

AI-driven object detection for a smarter, more efficient mow.

H Series

H3000N-VF

Recomended mowing area	0.74 acre
Mower net weight	38.6 lbs
Cutting height	1.2 - 2.4 in
Cutting height adjustment	Electrical
Cutting width	8.3 in
Max. slope	45% (24 degrees)
Battery	10.2 Ah
Running/mowing time per charge	4 hr
Charging time	300 min
Protection level	IP66
Noise level	54 dB (A)
Localization system	RTK EFLS 1.0
IOT Connectivity	Bluetooth, Wi-Fi, 4G
Obstacle avoidance	VisionFence, Bumper, BladeHalt
